

Position: Manager Technical

Reporting To: Sr. Terminal Manager

Location: Guwahati, Assam Inland Waterways Company Limited

Type: Contractual

Remuneration: 20% hike on current salary

1. Background

AIWCL is strengthening its terminal operations under the modernized inland water transport framework. The role of **Senior Sailor (Deck Supervisor)** is crucial for the safe and efficient handling of vessels, passenger embarkation/disembarkation, mooring operations, and emergency readiness at the terminal.

2. Objective

To ensure smooth daily operations of berthing/unberthing activities, crew coordination, navigational assistance, and safety enforcement at the terminal.

3. Key Responsibilities

- Assist in berthing and unberthing operations at the terminal
 - Supervise deckhands and sailors during terminal operations
 - Conduct pre-departure and post-arrival checks on vessels for safety and compliance
 - Maintain logbooks related to mooring, cargo/passenger movement, and fuel inventory
 - Liaise with ferry masters/captains for scheduling and movement coordination
 - Monitor vessel loading/unloading to ensure stability and safety
 - Assist in the upkeep of terminal infrastructure, floating pontoons, and gangways
 - Conduct safety drills, assist during emergency situations (rescue, fire, etc.)
 - Support inspection teams during audits or incident investigations
-

4. Minimum Eligibility

- **Educational Qualification:** Class X pass or equivalent
 - **Professional Certification:**
 - ✓ Valid Inland Vessel Certificate (IV/Boat Masters License desirable)
 - ✓ STCW Basic Safety Training (if applicable)
 - **Experience:** Minimum 7–10 years in inland/coastal vessel operations with 2 years in a supervisory capacity
 - **Ex navy/ coast guard sailor** preferred
-

5. Skills Required

- Strong understanding of vessel handling, ropes, knots, and mooring techniques
 - Familiarity with inland water terminal operations and passenger safety norms
 - Good communication and team management skills
 - Physically fit and alert during night operations, if required
-

6. Contract & Work Conditions

- **Tenure:** 1-year contract, renewable based on performance
- **Duty Hours:** Shift-based operations, including weekends and holidays
