4	N/A	General	We understand that at present AIWTDS has DPR for the subject RFP work & post selection of the TSSC consultant, the work for appointment of EPC contractor would begin. However, based on previous experience, we request a reasonable timeframe for appointing the EPC contractor after the selection of the TSSC consultant. Delays in the contractor appointment can lead to increased costs for the consultant and exit of personnel especially non- key. If the process exceeds three months, we suggest a practical approach for replacing the nominated personnel. We also request the authority to share the copy of DPR & tender documents in advance to the consultant such that anomaly, if any may be corrected prior to appointment of contractor.	The Contract for Construction shall be Item-Rate based. The Consultant will deploy their experts only after the appointment of Contractor after confirmation from the Employer. The relevant documents will be shared to the successful TSSC.
